### Safety Instructions:

- The product is not suitable for children under 3 years of age as it contains small parts that could pose a choking hazard.
- Make sure that small parts cannot be swallowed, especially by small children.
- Avoid contact with extreme temperatures, as these could damage the material. Keep away from direct sunlight.
- Keep the product away from moisture to ensure its longevity.
- The product made of tear-resistant and durable PP film does not require any special safety measures.
- Clear instructions for use that are easy for consumers to understand must be included.
- Using these products without considering recalls or safety warnings may pose risks. Consumers should regularly inform themselves about potential safety issues.
