Article Numbers: 94118, 94136, 94137, 94135

Safety Instructions:

- Ensure that the open-fronted storage box is kept out of the reach of children.
- Only use the open-fronted storage box for its intended purpose and not for applications other than the storage of small parts.
- Remove all packaging materials and small parts before using the open-fronted storage box to avoid the risk of suffocation.
- Avoid excessive loads that could exceed the load capacity of 1 kg; not stackable with weights over 1 kg.
- Keep the open-fronted storage box away from extreme temperatures (-20°C to +100°C) and direct heat sources; material could fail at extreme temperatures.
- Not suitable for children under 3 years: Choking hazard due to small parts.
- Improper handling can damage the product: Avoid excessive weight or improper stacking.
- Not suitable for transporting liquids.
- Protect from direct sunlight to prolong the life of the product.
- Keep the open-fronted storage bins away from harsh or aggressive chemicals to ensure resistance to oils, solvents, acids and alkalis.
