Safety Instructions:

- Make sure that the cards are not heavy or unwieldy to minimise the risk of injury.
- Avoid moisture to ensure the stability of the wood.
- Only use the product on level and stable surfaces to prevent it from tipping over.
- Keep the product away from high temperatures and direct sunlight to prevent deformation and damage.
- The product does not contain any sharp edges, but care must be taken when handling it and care must be taken to ensure that there are no splinters to avoid injury.
- Do not use near open flames or fire as wood products are flammable.
- Regularly check for damage to ensure safety and check felt feet to prevent floor damage.
- Use only under adult supervision, suitable for ages 3 and up due to small parts that may pose a choking hazard.
- To minimise damage and the risk of injury, do not use the product near water sources or in damp environments.
- Make sure that the contents of the filing cabinet are not overloaded to prevent it from tipping over or falling.
- Read the operating instructions carefully before use and keep them in a safe place.
