Safety Instructions:

- The table clamp may only be attached to table tops with a maximum jaw width of 60 mm.
- Make sure that the table is stable to prevent it from tipping over.
- Avoid children playing with the moving parts of the table.
- The standpipe can cause injury if not adjusted correctly; check the height before use.
- Only use the magnetic clips in accordance with the instructions to prevent the templates from slipping off.
- Fully tighten the brake adjustment of the support arm to ensure that the templates are positioned securely.
