Safety Instructions:

- Check the stability of the product regularly to prevent accidents.
- Remove or cover sharp edges or corners to avoid injury.
- Avoid overloading the stand with more than the recommended 20 boards to prevent the risk of tipping.
- The product is not suitable for use in areas with a high risk of mechanical damage.
- Store the product in a dry environment to avoid corrosion.
- Make sure that the table stand is stable and is not obstructed by people or furniture to prevent it from tipping over.
- Only use the table stand in accordance with the specifications and to hold the intended boards.
- The product is not suitable for use by children under 3 years of age due to the risk of choking on small parts.
