Safety Instructions:

- Set up securely to avoid tipping over. The product should be placed on a stable surface to avoid wobbling and tipping over.
- Do not use for food or medical purposes.
- Keep away from heat sources to avoid overheating and flashbacks.
- Provide safety information in a language that is easy to understand.
- We recommend the use of protective gloves and goggles during handling.
- Check the bin for damage before use.
- Regularly remove the dust and dirt accumulation inside the bin.
- Always secure the bin with the lid to prevent access by children.
- Do not fill the bin with hazardous or flammable materials.
- When using chemical substances, observe the relevant safety data sheets.
- Not suitable for children as there is a risk of suffocation due to improper use.
- Risk of injury from sharp edges or impacts when lifting.
