Safety Instructions:

- Ensure that the wall cabinet is stably mounted and secured to avoid the risk of falling and tipping over.
- Observe the maximum load capacity of the height-adjustable intermediate shelf and avoid placing heavy objects on it to prevent overloading.
- Only use the wall cabinet for the intended applications in accordance with the installation and operating instructions in order to avoid injury or damage to property.
- The product is not intended for use by children and should be kept away from them to avoid injury.
- Take care to avoid sharp edges to prevent injuries during handling.
- Avoid overloading the sliding doors and take care not to crush fingers when opening and closing them.
- The product is not suitable for outdoor use. Keep it in dry conditions to avoid corrosion.
- Please read the installation instructions carefully before installation and ensure that all parts are correctly fitted to avoid damage.
