Article Numbers: 94145, 94146, 94147, 94169

Safety Instructions:

- May have sharp edges that can cause injuries. Avoid skin contact with sharp edges.
- Store safely to prevent damage from impact during transport.
- Do not use as a toy, not suitable for children under 3 years of age. Keep away from children to avoid a possible choking hazard from small parts, if present.
- Temperature resistance: Do not use at temperatures outside -20 °C to +100 °C. Protect from direct sunlight to avoid deformation.
- Avoid contact with extreme chemicals, even if the product is insensitive to most oils, acids and alkalis.
- Do not stack if insufficiently loaded. When using with heavy objects, ensure that the load capacity of 20 kg is not exceeded.
- Suitable for storing non-corrosive materials; in the case of aggressive substances, check whether the plastic is suitable.
- Handle with care to avoid crushing injuries.
- The product is not suitable for food storage, observe the regulations on food contact materials.
