## Safety Instructions:

- The coat rack must not be used by children as play equipment and is not suitable for use by children without supervision.
- Use on uneven surfaces can lead to instability; use the coat rack on a flat surface to prevent it from tipping over.
- Excessive load can cause the coat rack to tip over; the maximum load should not be exceeded. Avoid overloading the hooks to prevent breakage or injury.
- Before use, all screws and fastenings should be checked for tightness and the castor locks activated if used stationary.
- If you have any questions about safe installation or use, please contact the manufacturer or dealer.
- The use of non-recommended accessories may impair safety.
- Ensure that the cloakroom is used in a safe area for children and other vulnerable people.
- The product should be installed in accordance with the enclosed instructions in order to avoid safety risks.
- Swivel castors should only be used on flat, stable surfaces.
