Safety Instructions:

- Small parts can be a choking hazard. Keep them out of the reach of children. Not suitable for children under 3 years of age.
- Compliance with the assembly instructions is necessary to ensure stability and safety.
- Product not designed for outdoor use. Protection from the weather is required.
- Attachment to stable surfaces to prevent injuries from falling.
- The product should be securely fastened to the wall to prevent it from tipping over. Ensure that the brackets are stable and suitable for the weight.
- Check regularly that the frame and shelves are not damaged to ensure safe use.
- Only use the drawers for their intended purpose and take care not to overload them to prevent the magazine from tipping over.
- The product should not be installed near water sources to avoid short circuits or other hazards.
- Protect this product from extreme temperatures and direct sunlight.
- Avoid contact with sharp objects to prevent damage.
- The product should be used under adult supervision when it is near children.
- Avoid improper use to prevent injury.
- Read the user instructions carefully in order to follow the installation and operating instructions.
- Ensure that the product is securely mounted and fastened to prevent injuries from falling.
- Before use, check that the drawers are properly closed to prevent contents from falling out.
