### Safety Instructions:

- Not suitable for children under 3 years of age as there is a risk of choking or suffocation from small parts.
- Do not use the packaging beyond its intended purpose and check for abrasion or sharp edges to avoid injury.
- Storing blocks out of the reach of small children is recommended to avoid swallowing paper scraps.
- Avoid contact with water and keep the pad dry to preserve the quality of the paper and the structure of the sheets.
- Ensure that the product contains clear instructions and safety information in the language intended for the market.
- The product must not have any sharp edges or pointed parts that could cause injury.
- Use writing utensils suitable for the application and select suitable printing applications taking into account the paper thickness.
- Dispose of the pad in accordance with local regulations for paper waste.
- Store safely to avoid soiling.
- No special safety instructions required as these are paper products.
