

Product Safety Information

Wall clamping rail, L 500 or 1000 mm, self-adhesive or magnetic, plastic

Manufacturer/Responsible Person: Sanders Group, Industriepark 3, 5663 PG Geldrop, The Netherlands
E-Mail: info@sandersgroup.eu

Please note the technical data of the products!

Article Numbers: 66568, 66567, 66566, 66565

Safety Instructions:

- The product should not be used in the vicinity of children to avoid the risk of choking on small parts. Not suitable for children under 3 years of age.
- Possible hazard due to improper use on metal surfaces, as the magnetic force can vary. When using, ensure that the magnetic force is sufficient to prevent slipping.
- The adhesive joint must be tested on a suitable, clean, dry and smooth surface before use to ensure a stable installation. Do not apply to freshly painted, damp or damaged walls.
- Regularly check the adhesion and stability of the clamping rail.
- Before use, make sure that the adhesive strength of the self-adhesive surface is sufficient to ensure safe application. When applying to walls, ensure that the surface is free of dust and grease to maximise adhesion.
