Safety Instructions:

- Not suitable for children under 3 years. Choking hazard due to small parts.
- Keep out of the reach of children and store staples out of the reach of children.
- Use only in accordance with the stapler and tacker manufacturer's instructions to avoid safety risks.
- Only use the staples in staplers designed for this purpose and only for the intended use with compatible staplers.
- Caution: Sharp edges. Risk of injury if handled incorrectly. Do not touch the clamps with wet hands.
- Do not use near electrical appliances to avoid the risk of electric shock.
- Take care when handling the staples, as they can cause cuts.
- Enclose instructions for safe use and observe regulations for safe storage and use.
