### Safety Instructions:

- Use suitable screws when attaching the mirror to prevent it from falling and possible injury. Ensure that you follow safe fixing instructions.
- Provide clear instructions for assembly and safe use of the product to avoid breakage or injury.
- Avoid contact with sharp edges during handling to prevent cuts.
- Do not place the product near heat sources or in direct sunlight to prevent deformation and overheating of the material.
- Do not install the mirror in areas where it could be accidentally hit by pedestrians.
- Keep the mirror away from knocks and other mechanical impacts to prevent damage.
