Article Numbers: 881927, 881926, 881925

Safety Instructions:

- Beware of sharp edges when opening the lid and during assembly and use.
- Check the pedalling mechanism regularly for proper functioning.
- Do not use with strong cleaning agents to avoid damage.
- Do not use on uneven surfaces to avoid tipping over.
- Keep out of the reach of children to avoid injury.
- Do not fill the waste bin with hot contents to avoid deforming the plastic.
- Do not place the container near naked flames or heat sources.
- Check the product for damage before use to avoid injury.
- Smaller parts could be lost in the event of improper handling and pose a choking hazard.
