Safety Instructions:

- The information stand should always be placed on a stable surface and the base must be stable to prevent it from tipping over.
- Protective measures must be taken to prevent injuries caused by sharp edges or corners during installation, transport and handling of sharp or pointed objects during assembly.
- Make sure that the information stand does not support excessive loads to avoid stability problems.
- Keep the information stand away from moisture and extreme temperatures.
- Only use the recommended poster pockets and wire holders.
- Make sure that small parts are kept out of the reach of children to avoid the risk of choking.
