Safety Instructions:

- Not suitable for children under 3 years. Choking hazard due to small parts.
- Protect from direct sunlight to avoid UV damage, material changes and material wear.
- Clean immediately after contact with aggressive chemicals. Do not use the product without testing it against aggressive chemicals.
- Do not use beyond the temperature range of -20°C to +60°C to ensure material integrity.
- Check containers regularly for cracks or damage to prevent leaks or spillage.
- Ensure that the screw cap is tightly closed to prevent leakage.
- Keep container out of reach of children. Use with care for organised use.
- Before use, ensure that the product is suitable for the intended use.
- Improper use may result in injuries or chemical reactions with non-food-safe substances.
- Read the instructions for use and safety information carefully before use.
