Safety Instructions:

- Not suitable for children under 3 years, as small parts may be included.
- Maximum load: 110 kg. Overloading can lead to a fall.
- Ensure that the stool is placed on a stable, level surface and take care on slippery surfaces to prevent tipping and slipping.
- The product should only be used by children under adult supervision.
- Please note that the stool is unsuitable for children as it poses a risk of tipping or falling over.
- Check regularly that all connections and screws are secure and tight.
- Avoid sitting on the stool in an inclined position or standing on the stool to prevent injury.
- Make sure that the stool is not stored near heat sources or sharp objects to prevent damage to the artificial leather.
- Do not stack inappropriately to avoid the risk of falling.
- Check edge protection to avoid injuries.
- Use only in the intended applications to minimise safety risks.
- Suitable for use by children? Check the age rating and observe the corresponding warnings.
