Safety Instructions:

- Risk of falling if the bar stool is not stable enough; check stability before use.
- Risk of slipping on smooth surfaces; avoid surfing or extreme movements on the stool.
- Take care when attaching the footrest - risk of injury.
- No use by persons under 14 years of age without supervision; take precautions to ensure that the stool is not used as a toy by children.
- Regular inspection of the structural integrity and stability of the bar stool required; inspection of the screws and connections recommended.
- Make sure that the bar stool is placed on a stable, level surface and that the feet are not damaged to avoid wobbling.
- Use on uneven ground can lead to instability.
- Only use the stool for its intended purpose and in consideration of the maximum weight.
- Make sure that no heavy objects are placed on the stool.
- Keep the stool away from naked flames and hot surfaces.
- In the event of damage or signs of wear, discontinue use and repair or replace if necessary.
- Safe use recommended for adults only; unsuitable for children under 14 years of age.
- Take care when getting on and off to avoid the risk of falling.
- Avoid jerky movements while sitting to prevent tipping over.
