Safety Instructions:

- Ensure that children do not use the product as a toy or play with it unsupervised.
- Do not expose the notepad to high temperatures, direct sunlight or fire.
- Avoid storing the notepad in damp environments and contact with moisture.
- Be careful when separating the sheets at the micro-perforation to avoid cuts.
- Not suitable for children under 3 years due to choking hazard from small parts.
- Do not put in the mouth or suck.
- Intended for use by adults, children should only use it under supervision.
- Avoid contact with strong chemicals and solvents.
- Read the enclosed general safety instructions before use.
- Before use, make sure that the paper does not contain any harmful chemical substances.
- The sharp edges of the cardboard box could cause injuries, so handle with care.
- Please dispose of the product in accordance with local regulations for the disposal of paper waste.
