Please note the technical data of the products!

Article Numbers: 97922, 97921

Safety Instructions:

- Not suitable for children under 3 years of age as it contains small parts that may cause a choking hazard.
- Ensure that the latch is correctly fitted to the bin to avoid injury.
- Avoid using the lock in conjunction with chemicals or hazardous substances that could damage the materials.
- Keep the locking mechanism and the waste bin away from naked flames or high temperatures.
- To avoid injury, do not use the lock incorrectly.
- The locking mechanism is not designed to prevent odours or liquids from escaping from the bin.
