Article Numbers: 23871, 23870, 23869, 23868, 23867, 23866

Safety Instructions:

- Attention: Product made of plastic. Protect from high temperatures, as exposure to chemical substances is possible.
- Not suitable for children under 3 years due to choking hazard from small parts.
- The recyclables collector is only suitable for dry waste; do not fill with liquids.
- Please ensure that the container is stable and not overfilled to prevent it from tipping or falling over.
- Do not climb or lean on the container to avoid the risk of falling.
- Place the recyclables collector out of the reach of children to minimise the risk of injury.
- Do not throw any sharp or pointed objects into the collection container.
- Risk of suffocation due to improper use or breakage of the plastic container.
- Ensure that the clamp fasteners are firmly and properly attached to prevent the head section from being accidentally removed or falling out.
- The product should only be used for its intended purpose in order to avoid overloading and possible damage.
- The product should be disposed of in accordance with local regulations for plastic waste in order to avoid environmental damage.
