Article Numbers: 43733, 43730, 43727, 43709, 43708, 191684, 191683

Safety Instructions:

- Avoid the risk of slipping: Ensure that the protective mat is firmly and securely in place. Use with particular care on smooth, uneven or slippery surfaces.
- The mats are flame-retardant and unbreakable, but avoid any sources of fire or other heat and check them in the event of heavy physical strain.
- If the mat is damaged, faded or worn, take it out of service immediately and replace it to avoid accidents.
- Suitable for allergy sufferers, but use should be discontinued if skin irritation occurs, possibly consult a doctor and avoid chemical cleaning agents.
- Choking hazard due to small parts if used or handled incorrectly. Especially not suitable for children under 3 years of age.
- There is a risk of injury if used incorrectly. Avoid excessive pressure or sharp objects on the mat.
- Use on underfloor heating is possible, but beware of possible overheating.
- Read the safety instructions for installation and handling carefully before use.
- Ensure environmentally friendly disposal, utilise recycling options.
