Article Numbers: 43711, 43707, 43706, 43705, 191690

Safety Instructions:

- Ensure that the mat is used on non-slip floor coverings. Suitable for smooth and non-smooth floors, therefore ensure that the mat does not slip on smooth surfaces.
- Suitable for use on carpets with a pile height of up to 16 mm.
- Regular cleaning of the mat is recommended to prolong its service life. Improper use can produce harmful vapours, so clean regularly to avoid allergens. Regular inspection for wear and damage recommended.
- If you are unsure about use on different floors, test a small area first to avoid possible damage.
- If damaged, replace the mat immediately to avoid the risk of slipping. Mechanical damage can impair the safety functions.
- Suitable for allergy sufferers.
- Environmentally friendly and recyclable. When disposing of the product, observe the local regulations for recyclable materials.
- Flame retardant and resistant to ageing, but it is recommended to keep them away from open flames and extreme heat sources.
- Indestructible and unbreakable under normal use.
- Vinyl and chloride-free, no harmful vapours.
- Heat-resistant, also ideal for underfloor heating.
- Avoid choking hazard due to small parts that can be swallowed.
- Keep the product away from naked flames, even if it is flame retardant.
- Slip resistance may be impaired in damp conditions, therefore careful handling is required on damp floors.
- Use by children only under adult supervision.
