Safety Instructions:

- The rust resistance of the product should be guaranteed, especially in humid environments.
- Take care not to overload the product when the hooks are in use to ensure stability and safety.
- The product is not suitable for use by children without supervision as it contains small parts that may pose a choking hazard.
- Avoid knocking over the coat stand to prevent injury. Ensure that it is placed on a stable, level surface.
- Read all the safety instructions and installation instructions supplied carefully.
