**Article Numbers:** 95021, 95020, 95019, 95018, 95017, 95016, 95015

### Safety Instructions:

- Only use on a firm and level surface.
- Ensure that the ladder is correctly positioned and locked in place to prevent it from tipping over or folding apart.
- Take care when using in extreme weather conditions such as strong wind or rain; ideally avoid.
- Do not exceed the maximum working height and do not load the ladder above the maximum permissible weight limit.
- The ladder is not suitable for use in electrical environments; risk of electric shock.
- Check the ladder for damage before each use.
- Ensure that shoes with non-slip soles are worn to prevent slipping.
- The ladder should only be used by one person at a time and should always be held with one hand when in use.
- Keep out of reach of children and use under adult supervision when children are around.
- Check non-slip foot plugs regularly to ensure safety.
- Do not deposit loose objects near or under the ladder.
- The ladder must not be used as scaffolding or for other unusual purposes.
