Article Numbers: 96820, 96815

Safety Instructions:

- The product may tip or fall over if used improperly.
- Before use, ensure that the load capacity is not exceeded. Maximum load capacity: 400 kg.
- The product may only be used on firm, level ground and the trolley should be on a level surface to prevent tipping.
- Use only by adults or under the supervision of a responsible person.
- Always hold the push bar firmly during transport and be careful when travelling in front of obstacles to avoid falling.
- Caution: Choking hazard due to small parts.
- Take care when transporting heavy loads; observe the maximum load capacity (400 kg).
- Make sure that the castors have brakes to prevent the trolley from rolling away.
- Always wear appropriate safety shoes when transporting heavy objects.
