Safety Instructions:

- Risk of suffocation due to improper use or storage of objects on the platform.
- Suffocation due to overloading or incorrect use of the stake wagon.
- Risk of injury due to crushing on the moving parts of the swivel and fixed castors.
- Risk of slipping if handled incorrectly on uneven surfaces.
- Ear and eye protection is recommended for use in noisy environments.
- Only use the stanchion trolley on stable, level surfaces to prevent it from tipping over or falling.
- Ensure that the maximum load capacity of 500 kg is not exceeded.
- Children should be supervised by an adult when using stake carts.
- Ensure that all wheels are properly locked before use.
- Do not overload the platform to ensure stability.
- Avoid jerky movements to prevent slipping or falling over.
