Safety Instructions:

- Product not suitable for children - small parts could pose a choking hazard. Keep the product out of the reach of children to avoid the risk of choking on small parts.
- Acrylic plate could break. Take care when handling the acrylic plate as it can be fragile. Do not bring the acrylic plate to your mouth to avoid the risk of choking.
- If the door label is not attached properly, it could fall and injure people. Ensure that the door label is securely fastened to avoid the risk of falling. Ensure that the door label is mounted in a stable and secure location to prevent it from falling.
- Avoid using the door plate in damp environments as this could damage the materials. The door label should be securely attached to a wall or door to prevent it from falling.
- The edges of the door label may be sharp; please pay attention to this.
- Protect product from excessive load.
- Read the instructions carefully before use. Enclose instructions for safe installation and use.
- Monitor the use of the acrylic panel to avoid the risk of breakage. We recommend wearing gloves when fitting or cleaning the acrylic sheet.
- Specify the information required to identify the manufacturer.
- Acrylic plate protects the paper insert; use the caps properly to hold it in place. Ensure that it remains undamaged to ensure optimum visibility.
- Install the fasteners correctly to avoid injury. Installation should be carried out in accordance with the enclosed instructions to ensure secure fastening.
- Avoid installing the door sign in places where it is at risk of constant impact or vandalism.
- Use of adhesive may leave residue. Be careful when removing.
- To prevent misuse, do not use the product for playing or as a toy.
- Caution! Sharp edges can pose a risk of injury.
- Ensure that the installation is carried out on stable and suitable surfaces. Suitable tools and personal protective equipment should be used during installation.
- This product is not suitable for applications outside its intended use.
