Safety Instructions:

- Not suitable for children under 3 years of age due to small parts; choking hazard. Keep out of reach of children.
- The product should not be placed near water sources or used in a damp environment to avoid damage or electrical hazards.
- Keep away from heat sources and do not overheat to avoid the risk of fire.
- Only use the product for its intended purpose with compatible devices (e.g. P-touch QL series) in accordance with the instructions in the manual.
- Store safely to avoid unnecessary damage caused by moisture or direct sunlight.
- Read and keep all safety information and instructions in a safe place.
- Make sure to keep sharp objects and solvents away to avoid damaging the labels.
- Contact customer service immediately in the event of problems.
- Do not use for labelling food.
- Sharp edges can cause injuries; therefore handle with care.
- Store the product safely after use to prevent unauthorised access and to ensure its shelf life.
