Safety Instructions:

- Take care to use the appliance safely to avoid injury.
- Keep the appliance out of the reach of children to avoid the risk of choking on small parts.
- Avoid contact with moving parts during operation.
- Read the operating instructions carefully before use and only use the appliance for its intended purpose.
- Make sure that there are no objects in the stapling area before you operate the device.
- Take care when using and handling staples to avoid injury from staples or sharp edges.
- Not suitable for children under 3 years due to small parts.
- The stapler should only be used by adults or under adult supervision.
- Ensure that small parts (e.g. staples) are kept out of the reach of children to avoid the risk of suffocation.
- Attach safety instructions for correct use.
