Safety Instructions:

- Due to its weight, the umbrella stand must be used safely to prevent it from falling or tipping over.
- Check the removable plastic drip tray regularly for damage and empty it to prevent water from collecting and the risk of slipping.
- Suitable for indoor and outdoor use; ensure that the base does not freeze in frosty conditions.
- Keep away from children to avoid injury from falling over or impact.
- Avoid using sharp objects when cleaning or processing to prevent injuries.
- Follow the assembly instructions carefully to ensure stable and safe assembly.
