Article Numbers: 50579, 38512

Safety Instructions:

- Use only on level surfaces to prevent the hose bridge from tipping over.
- Do not expose to high temperatures for long periods of time to prevent material damage.
- Ensure regular visual inspection of the hose bridge in order to recognise cracks or wear in good time.
- During use, ensure that no heavy loads are placed on the hose bridge to avoid the risk of breakage.
- Risk of suffocation due to improper handling when used outdoors.
- Risk of slipping on slippery surfaces.
- The product must not be driven over as it could be damaged.
- Keep a safe distance from hot materials.
- Do not use the product near water sources to avoid the risk of electric shock.
