Safety Instructions:

- Not suitable for children under 3 years of age as it may contain small parts and pose a choking hazard.
- During use, ensure that the label pockets do not overheat to avoid the risk of fire.
- The label pockets are not intended for permanent magnetic attachment; a loose magnet can pose a risk of injury.
- Please use the labelling pocket in accordance with the intended instructions for use.
- The labelling pouches are suitable for indoor use. Keep the products away from moisture and heat.
- Observe the safety instructions if several cardboard inserts are used. Only for use with the intended cardboard inserts.
- Protect from direct sunlight and high temperatures to prevent material deterioration and colour fading.
- Ensure that the label pockets are securely attached to all devices to avoid injury.
- Avoid contact with water or other liquids so as not to impair the adhesive force of the magnet.
- The surface can be cleaned with a mild detergent and a damp cloth. Do not use abrasive cleaning agents to avoid damaging the coating.
