Article Numbers: 73981, 73979, 73978, 73977, 73976, 73975, 67679, 67678, 67677

Safety Instructions:

- Protect the product from moisture and extreme temperatures.
- Not suitable for direct contact with food.
- Take care when using in the vicinity of sharp objects.
- Take into account the mutual interference with other objects.
- Provide instructions for safe use and disposal.
- Not suitable for children under 3 years due to choking hazard from small parts.
- Store cartons securely to prevent collapse and damage.
- Make sure that no heavy objects are placed on the boxes to avoid injuries.
- Avoid excessive moisture so as not to compromise the structural integrity of the cartons.
- The boxes are not suitable for transporting heavy or sharp objects.
- The boxes are not suitable for children as they may present a choking hazard and unsupervised use as toys.
- Protect from sharp edges and excessive loads.
- Protect from electrical hazards if used in conjunction with electrical appliances.
- Avoid overloading the boxes so as not to jeopardise their stability.
- Keep the boxes dry to prevent mould growth.
- Risk of injury due to improper use or incorrect stacking.
- Do not store the boxes near open flames or heat sources.
- Observe environmentally friendly disposal.
