Please note the technical data of the products!

**Article Numbers:** 66105, 66101

### Safety Instructions:

- Ensure that the trolley is used on a stable and level surface to prevent it from tipping over.
- Do not overload to ensure stability. Avoid overloading the shelves beyond the permissible load capacity.
- Regularly check the locking mechanisms of the castors. Ensure that the castor brakes are engaged when the trolley is not being moved.
- Ensure that the trolley is not parked near heat sources.
- Only use the trolley for its intended purpose and avoid improper use.
