

Product Safety Information

Cable bridges

Manufacturer/Responsible Person: Ewald Hildebrandt GmbH & Co. KG, Feldstraße 30, 44867 Bochum, Deutschland

E-Mail: kontakt@eha.de

Please note the technical data of the products!

Article Numbers: 87261, 87260, 82183, 82128, 82111, 82110, 82109, 82108, 82107, 82106, 20955, 20954, 20953, 20952, 20951, 20950, 20949, 20948, 20884, 20883, 20882, 20881, 184997, 184996, 184994

Safety Instructions:

- Ensure that the cable bridge is properly secured with the double-sided adhesive tape included in the scope of delivery to prevent slipping and tripping hazards.
- Avoid tripping hazards by only laying and fixing cable bridges securely on level surfaces.
- Keep the cable bridge away from moisture, heat sources and extreme temperatures to minimise slipping and material damage.
- Regularly check the integrity of the cable bridge for damage or wear and replace it if necessary.
- The use of cable bridges is not suitable for children, as they could be used as toys.
- Only use the cable bridge for its intended purpose and observe the maximum load.
- Ensure that no electrical components are exposed in order to avoid electric shocks.
- Secure all cables to prevent tripping hazards due to unsecured or protruding cables.
- The cable bridge is not suitable for driving over with heavy equipment or vehicles.
