Article Numbers: 82308, 82307, 82306, 82277, 82276

Safety Instructions:

- Not suitable for children under 3 years of age as it may contain small parts - choking hazard.
- Safety information and instructions must be provided and read carefully to ensure safe use of the product and to avoid improper use.
- The product should not be used in the vicinity of naked flames or extreme temperatures. Velcro straps are also affected by this and must not be overstretched or subjected to excessive force.
- Do not use in humid environments, water or for wet applications as adhesion properties and functionality may be impaired.
- Keep out of the reach of children to prevent the risk of choking on small parts.
- Check for safety and integrity before use to avoid damage.
- Take care when using in conjunction with other products to avoid potential hazards.
- Avoid contact with sharp objects to prevent damage.
