Safety Instructions:

- Ensure that the product is securely fastened to the wall and that the screws are tightened firmly to prevent it from falling.
- Be careful when handling sharp edges of the acrylic glass to avoid cuts.
- Do not damage the films before inserting them into the product to ensure visibility. The films included are suitable for laser printing.
- Do not place the product near heat sources or in direct sunlight to avoid discolouration or deformation.
- The product could break easily, therefore care is required when handling.
- The product should not be used in humid or extremely hot environments to avoid damage.
- Assembly should be carried out in accordance with the enclosed instructions and only by persons of legal age. Make sure that the screws and assembly materials are complete.
- The product is not suitable for children under 3 years of age as it may contain small parts.
- Avoid damage due to improper handling.
- Do not clean directly with water or chemicals, but wipe with a dry, soft cloth.
- Only install using the installation material provided to ensure stability.
- Check the fastening screws regularly for tightness.
