Safety Instructions:

- Choking hazard due to small parts such as key rings. Not suitable for children under 3 years of age. Keep out of reach of children.
- Using a combination lock requires special care. Ensure that the lock is secure and that the code is not passed on to third parties. Check regularly for functionality. If the code is lost, contact the manufacturer.
- Install the key box at a safe distance from children to avoid the risk of access and injury from falling. Observe the installation and safety instructions.
- Do not overload to avoid damage or difficult access.
- Avoid humid conditions to ensure material integrity.
- Keep all safety and operating instructions to hand and ensure that all users understand them.
