Safety Instructions:

- Not suitable for children under 3 years due to possible choking hazard from small parts.
- Use the storage basket on stable, level surfaces to prevent it from tipping over and causing injury.
- Keep the storage basket away from children to avoid the risk of suffocation.
- Avoid using the product near water or humid environments to prevent damage and material integrity.
- Avoid contact with extreme temperatures, direct sunlight and heat sources to prevent material damage.
- Use only for the intended purpose to avoid the risk of injury.
- Clean the basket regularly in accordance with the manufacturer's instructions and avoid using harsh cleaning agents to prevent damage and loss of material quality.
- Ensure that the product is not overloaded to prevent it from tipping over and causing structural damage.
- Observe the local regulations for the storage and disposal of plastics.
- The product is not suitable for contact with food.
- If the product is damaged, stop using it immediately and discontinue use.
- No choking hazard due to small parts, provided that no explicit small parts are included.
