Safety Instructions:

- Take care when handling the poster pocket as there may be sharp edges.
- Do not store directly in sunlight or in extreme temperatures to avoid discolouration and deformation.
- For safe use and handling, especially by children, ensure that no parts can be broken off.
- Ensure that all warnings and safety information are indicated on the product or in the packaging.
- The product must not be brought near fire or extreme temperatures.
- Only use the product for its intended purpose and not for other applications.
- The poster bag should be kept out of the reach of small children to avoid the risk of suffocation.
- All installation instructions must be followed to ensure safe use.
- Choking hazard due to small parts if the poster bags are used by small children.
- Risk of liability due to improper use of the magnetic strips, especially in the vicinity of electronic devices.
- Ensure that the poster pockets are not used near heat sources to avoid melting or deformation of the plastic.
- Only use the poster pocket for the intended formats (DIN A2) and observe the maximum recommended paper thickness to ensure optimum functionality.
- Make sure that the poster pocket is securely fastened to the information pillar to prevent it from falling down and possibly causing injury.
