Safety Instructions:

- Sharp-edged parts can cause injuries.
- Avoid overloading the container to prevent it from tipping over; do not overload, especially with sharp or pointed objects.
- Place the container on stable, level surfaces to ensure that it is safe to use.
- Do not fill with flammable materials to prevent the risk of fire.
- Use only for the collection of data-protected materials to fulfil the intended purpose.
- Store safely to avoid mechanical injuries.
- Only use containers for the intended materials to avoid the risk of fire.
- When emptying materials, be aware of the risk of injury from the weight.
- Check for damage before use, as this may impair safety.
