Safety Instructions:

- Do not get in eyes or on skin; in case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
- Keep out of reach of children; the pen must not be swallowed; choking hazard due to small parts.
- Do not inhale the ink; use only in well ventilated areas; chemicals may cause skin and respiratory irritation.
- Not suitable for children; keep away from children as there may be a choking hazard due to small parts.
- Safely dispose of packaging and residues after use.
- Do not use at temperatures above 250° C; do not use near strong heat sources or naked flames.
- Avoid contact with food and drink as the ink can be harmful to health.
- Keep out of reach of pregnant women or nursing mothers.
- The ink is smudge-proof and waterproof; if used incorrectly, it can be harmful to surfaces; ink can cause stains, test on surfaces.
- Not suitable for contact with the mouth.
- When experienced with hot/cold water or extreme temperatures, the colour can change in appearance.
