Safety Instructions:

- Do not use or bring near fire, open flames or heat sources.
- Keep out of the reach of small children and not suitable for consumption.
- Do not use in combination with other cleaning agents.
- Ensure that the marker is tightly closed to prevent it from drying out.
- Use in well ventilated areas to reduce possible vapours or odours.
- Avoid direct contact of the ink with skin or eyes; in case of contact, rinse thoroughly with water and consult a doctor if necessary.
- The ink may be harmful to health; consult a doctor immediately if swallowed or in case of health problems.
- Not suitable for children under 3 years due to small parts that may cause choking.
- Only use in accordance with the relevant safety precautions and instructions.
