Safety Instructions:

- Only for use by adults or under adult supervision.
- Keep the chair away from heat sources and direct sunlight.
- Only use the chair on firm, stable surfaces and check that the chair is stable before use.
- Avoid overloading the chair beyond the maximum recommended weight limit.
- Ensure that all adjustment functions and the seat height are secured and adjusted in accordance with the manufacturer's recommendations before using the chair to prevent it from tipping over.
- Regularly check the functionality of the safety gas spring, all moving parts and screws for wear, strength and safety, especially if there is visible damage.
- Avoid excessive movements or rocking on the chair to prevent falls.
- Do not load the chair improperly or use it as a standing aid.
- Keep the user manual to hand and follow the safety instructions.
