

Product Safety Information

Special marker edding 950 industry painter

Manufacturer/Responsible Person: edding Vertrieb GmbH, An der Feldmark 9b, 31515 Wunstorf, Deutschland

E-Mail: info@edding-vertrieb.de

Please note the technical data of the products!

Article Numbers: 56205, 56204, 56203, 56202, 56201, 11533, 11532, 11314, 11313, 11312

Safety Instructions:

- Wash hands thoroughly before direct skin contact.
- Do not inhale vapours; use in a well-ventilated area.
- Do not get in eyes or on skin; in case of contact, rinse thoroughly with water and seek medical advice.
- Keep out of the reach of children to avoid misuse and danger.
- Do not use near sources of ignition or naked flames.
- Wear suitable protective equipment such as gloves and safety goggles during application.
- Before use, check the surface or environment for suitability and ensure ventilation.
- Do not use at temperatures below -10 °C or above 150 °C.
- Dispose of residues in accordance with local regulations.
- Shake before use and test on an inconspicuous area.
- Do not apply to food or objects that come into contact with food.
- May cause allergies on skin contact, therefore wear gloves.
- Risk of suffocation from small parts if the cap is not properly closed, therefore ensure that it is inaccessible to children.
- Before use, check the labelling for possible safety and application instructions.
- Keep out of reach of food and drink.
- Always use in well-ventilated areas to avoid exposure to vapours.
