Safety Instructions:

- Do not allow children to use the product as there is a choking hazard due to small parts.
- Consult the instructions for use before use to avoid improper use and injury.
- Ensure that there is sufficient space to prevent injuries.
- The product may only be used on level surfaces, not near stairs to avoid the risk of falling.
- Not suitable for children under 3 years of age due to the risk of choking on small parts.
- Do not clean with sharp objects to avoid damage.
- Ensure proper installation to prevent unstable constructions.
- Avoid contact with moisture to prevent mould growth.
- Ensure that the product is safe to use, especially if it is loaded by several users.
- Watch out for sharp edges and corners to avoid injury.
- Pay particular attention to the stability of the chair; avoid tipping over.
- Ensure that chairs are not suitable for children under a certain age.
- Provide easy-to-understand safety instructions and operating instructions.
