Safety Instructions:

- Make sure that the wardrobe is stable to avoid falls/toppling over.
- Do not use the cloakroom as play equipment.
- Keep the wardrobe away from heat sources to avoid material deformation.
- Avoid heavy loads as they can affect the stability of the wardrobe.
- When mounting on the wall, ensure that the wall and the fixings are adequate.
- Avoid sharp edges on the coat rack to minimise injuries.
- Check the wardrobe regularly for stability and possible damage.
- Use only in accordance with the intended use as a coat rack in order to avoid hazards.
