## Safety Instructions:

- Choking hazard due to small parts, especially for small children. The product is not a toy and should be kept away from children to avoid the risk of injury.
- The product must not be overloaded to avoid the risk of breakage. Do not overload the coat rack to prevent hooks and objects from falling.
- Ensure that the wall is sufficiently stable to support the weight of the objects. During installation, ensure that the moulding is securely attached to the wall.
- Follow the manufacturer's instructions for installation and use. To avoid injury during installation, use the enclosed fastening elements in accordance with the instructions.
- The hooks are not suitable for use by children.
